

To Whom It May Concern

December 26, 2019

Mr. Saugat Raj Baral attended a one-month Immersion Program in October 2019 at Yunus Centre. During the Program, Saugat was exposed to the concept of social business through various presentations, interactive meetings and field visits to social businesses companies in Bangladesh. He demonstrated sincerity and attentiveness throughout the program.

I wish him the best in the future.

Sincerely,

Nobel Peace Prize Laureate 2006
